

BLETCHLEY PARK PRIMARY SCHOOL INTERNET USER AGREEMENT

STUDENT NAME _____ CLASS _____

Block Letters

The internet allows users to search world-wide databases, access bulletin boards and exchange messages (e-mail) throughout the world. It has significant educational benefits for students at this school.

It is the policy of Bletchley Park Primary School to mandate and expect that students will use the internet in a responsible manner. Accordingly parents/guardians are asked to read and discuss the rules governing the behaviour of students who access the system with their child. Both parent/guardian and the student are to sign the user agreement form and return it to school. Students who do not adhere to any part of this agreement may lose the privilege to use the system and further disciplinary action may be taken.

STUDENT AGREEMENT

Students MUST adhere to all student agreement conditions listed below.

1. I will not access the Internet unless under the direction of a staff member.
2. If I find a site that I think is not suitable I will report it immediately to a school staff member.
3. Before copying anything from the Internet I will seek permission from a staff member.
4. I will not give out anyone's name, address or phone number unless I have the approval of a staff member.
5. I will not use the Internet service to upset or be rude to anyone.
6. I have read and understood the Internet User Agreement. I understand there will be consequences that may affect my learning if I do not adhere to the agreement.
