

2023 Australian Maths Competition Years 3-6 Thursday August 3rd

The AMC is an engaging 30-problem competition that demonstrates the importance and relevance of mathematics in students' everyday lives.

Australia's leading educators and academics, with a deep understanding of our national curriculum standards, actively design the unique AMC problems each year.

The competition is designed to be difficult – students who have not received an 'A' or a 'B' in Maths previously will find it very challenging.

You may like to speak with your class teacher to see if this competition is suitable.

Cost: \$8.00

You do not need to pay anything yet.

You will receive a note requesting payment shortly.

Please detach the slip below and return it to the office no later than **Monday June 26th 2023.**

Late expressions of interest cannot be accepted.

Kylie Salamon

Deputy Principal
Bletchley Park Primary School
Kylie.Salamon@education.wa.edu.au

Renette Roth

Year 5 Classroom Teacher
Bletchley Park Primary School
Renette.Roth@education.wa.edu.au

Expression of Interest
