

FROM THE PRINCIPAL'S DESK

Dear Families

As Term Two draws to a close I would like to wish you all a safe and happy Winter break. Students and staff have been working tirelessly and I am sure they will all be happy when Friday afternoon rolls around!

Preliminary whole school NAPLAN results are in, and Bletchley Park students have done very well; congratulations to all staff and students for achieving such high results. At this stage individual student reports are **not** available, but we expect this early next term and will keep you posted.

Congratulations to all students who participated in the Cross-Country carnival last week. It was wonderful to see all students representing their factions and enjoying the day. A huge thank you to Mr Palmer for his organisation of this event and a special congratulations to **Strickland** faction who won the day! Information regarding the interschool carnival will be out shortly.

Term Three will begin with a bang (and doesn't look like letting up!) as we enjoy P&C Pyjama Day and celebrate our 100th day of school with some fabulous Maths activities. We have swimming lessons for all PP-6 students beginning in Week 3 and later in the term our Book Week celebrations and whole school athletics carnival. A term planner is included for you to get those diary dates down!

You should have received your child's semester one report this week. If you cannot find it, please check your junk folder before contacting the school. It was wonderful to read so many reports of students doing their best and showing respect. Students should be very proud of their achievements so far. If you have any concerns about your child's report, please speak with the class teacher.

This term we have two of our 'legends' retiring. I would like to wish Mr Henry Houghton and Mr Andrew Vallis all the best for their retirement. Andrew and Henry are long serving Bletchley Park staff who have made significant contributions to our school community. They will be dearly missed!

Finally, I would like to acknowledge the efforts of all Bletchley Park Primary staff who have ensured all children are engaged in meaningful and first-rate learning experiences. It is a privilege to work with such a dedicated staff. Mr Walpole returns next term, and I shall be happy to hand the reins back to him! Thank you to all for your support; until next term, keep smiling!

Kylie Salamon

Today LA 9 shared Kindness. The message was that the person receiving the act of kindness makes them happy and encourages them to be kind to others as well. Wellbeing at Bletchley

We know that wellbeing is an essential component of student achievement. An important part of our current business plan is to look at student wellbeing and how well this is enacted at Bletchley Park.

A team of staff, led by Ms Salamon and comprising of our school psychologist, chaplain, teachers, and education assistants, are busy determining what wellbeing currently looks like at Bletchley Park Primary. We have begun by exploring what exactly wellbeing is and its core components. Currently the team is working on a shared whole school vision for wellbeing; we hope to be able to share this with you soon.

All staff have been engaged in the development of this vision, including examining our own beliefs around wellbeing and social emotional learning for our students.

Next term we will be diving into our whole school data to identify exactly where our students' needs lie and from there determining how best to meet these.

We will be looking to hold a parent evening in Term Three to give our community the opportunity to share their views and developing a Student Wellbeing Team to account for student voice.

We look forward to sharing this journey with you.
