

FROM THE PRINCIPAL'S DESK

Dear Families,

Welcome back to Term 4. We have certainly hit the ground running, with staff and students busily and happily engaged in the learning programme. This week students from Years 1-6 have sat the PAT Maths online. Early results look positive; I will share results from this and the PAT Reading in the next newsletter. Thank you to all those who attended our Family Maths Afternoon last week. I managed to get around to almost every classroom – it was fantastic to see so many students enjoying Maths with family members.

On Monday we held our 2024 Student Leader elections. Congratulations to all those who delivered a speech; it really is a credit to our school to see how many students are interested in a leadership position. This year, taking advantage of our BYOD programme, voting was done online via QR code. Faction Captains and Student Councillors for 2024 will be announced at the Music Assembly in Week 7 on November 24th. The announcements of Head Boy and Girl will occur at the End of Year Concert, along with the presentation of badges.

This Friday we are lucky to be holding our 2023 Colour Run! Students have been fundraising and are super excited for this event. We are also happy to welcome our Kindy and Pre-Primary students to join us this year. Parents are welcome to spectate; the event begins at 1:30pm. On Friday we are also sending our two Numero teams to compete in the South East Metro event. We wish these students the best of luck. They will be accompanied by Mrs Van Dam and Miss Haynes.

Next week, BPPS acknowledges two special events: World Teachers' Day (Wednesday) and Day for Daniel (Friday). Please remember to send your children to school wearing **red** on Friday and to bring a gold coin donation for the Daniel Morcombe Foundation. Icy Poles will be on sale Monday and Tuesday for \$1.00 each. All funds will go to the Daniel Morcombe Foundation.

Student Wellbeing is a key aspect of our current school Business Plan. That said, the Staff Wellbeing Team have been examining school and student information and have developed a set of needs to be addressed through our social and emotional learning (the Health Learning Area). We are now thoroughly investigating several possible teaching programmes to identify which best fits the needs of our students. More information will be communicated to parents once this process is complete.

We are currently working on staffing and student placements for 2024. A reminder that requests regarding the placement of your child must be emailed to the Principal at Kylie.Salamon@education.wa.edu.au no later than **Friday November 3rd**. Please outline the educational reason clearly; requests for particular teachers will not be considered. Late requests cannot be accepted.

Have a fabulous fortnight; I look forward to seeing you all in my travels around the school.

Keep smiling!

Kylie Salamon

Merit and values Winners – 22nd September 2023

The BEES (Bletchley Extension and Enrichment Students) put on a very funny and informative performance for us today around the idea of how a court works. The storyline was serious, but we laughed all the way through because of the amazing acting and talented script writing. Everyone did a magnificent job; however, our special award needs to go to TED who deserves an Oscar.

TED was setup

Charged

He pleaded his innocence.

Key witnesses were called to testify.

The jury (audience) found TED innocent.

Voluntary Contributions and Requirement Lists

We would like to congratulate Aldric in Pre-Primary for winning the 9th Gen IPAD for paying his voluntary contributions. These funds make such a difference to this school. We appreciate everyone who has paid their voluntary contributions and P&C contributions so far this year and would like those who have not yet paid to please consider doing so. We are currently only sitting at 66% collected. Next year we will be giving away an IPAD to another lucky winner. The odds are good.

Voluntary Contributions and Charges Schedules along with Requirement Lists were distributed to students on Thursday 12th October. Requirement List ordering can be placed online or in store, we will no longer be collecting order forms at school.

Congratulations

We hope you enjoy your IPAD Aldric.

Indonesian Teacher Visit to East Java

During the last school holidays, I had the opportunity to travel to Malang in East Java with other teachers from WA to teach English. It was an amazing, enriching, intense and rewarding two weeks. It was part of a pilot program organised by Arek Jatim WA to enhance relationships between WA and East Java. Five primary school teachers worked across two schools focusing on conversational English. We were made to feel very welcome and I had the opportunity to use Indonesian and develop my cultural understanding. We enjoyed all the delicious food and sightseeing around Malang. The highlight was travelling to Mount Bromo to see the sunrise and then climbing and walking around the crater. I am excited to share my new knowledge and experiences with my students.
