

The new Southern Grove Dental Therapy centre

Dental Health Services is pleased to inform that the new Dental Therapy Centre constructed at Southern Grove Primary school will be staffed after the school holidays starting on **the 25th of July 2019**. Initially the clinic will be operational **Thursdays and Fridays 8am to 4pm**, subject to increased days in future. Existing records for enrolled patients from Bletchley Park primary school and Southern Grove children will automatically be sent to the Southern Grove dental therapy centre from other centres.

If parents wish for their child to remain at their existing therapy centre please advise that centre.

The school Dental Services is a public health program which provides free general dental care to Western Australian students aged 5 to 16 years or until the end of year 11.

The service is provided by dental therapists and dentists who are registered with the Dental Board of Australia. There is a strong emphasis on prevention, oral health education and early intervention.

You are welcome to visit the Dental Therapy Centre to discuss your child's dental care.
