

# VALUES PROGRAM 2019

Presenter: Clint McNerney

# VALUES PROGRAM

## BLETCHLEY PARK PRIMARY SCHOOL

Values will impact on our teaching and learning programs within the school, namely:

- how we work eg. group work, cooperative tasks, classroom organization,
- the tasks we do eg. choir, recycling, sports carnivals, buddy classes, celebrations, school incursions, grandparents day, classroom themes.
- how our school is organised eg. SSB program, Bullying Prevention Program, TED Program (Treat Everyone Decently), Student Councillors, Faction Captains.
- how we learn eg. from teachers, from peers, from other students, from other adults.

Our Values Education Program will:

- Achieve consistency across the school in promoting the specific values that our school community embraces. We will use the same language of values, across all school activities.
- Help students think about and reflect upon different values and the practical implications of expressing them in relation to themselves, others and the community.

Bletchley Park Primary School has two core values – **RESPECT** and **DOING MY BEST**. RESPECT includes respect and tolerance for their own and other peoples' cultures, respect and tolerance for people with disabilities, respect for the planet, (sustainability), honesty and kindness. DOING MY BEST includes co-operation, perseverance and courage.

# DOING MY BEST

If you do your best or try your best to do something, you try as hard as you can to do it, or do it as well as you can.

- Be punctual and organised for learning.
- Be accountable for own learning.
- Follow instructions given by all staff.
- Take responsibility for own actions and be honest about the choices made.
- Understand there are consequences, positive and negative, for behaviour choices.
- Actively participate in all school based experiences.  Act in a safe manner at all times when at school.

# RESPECT

- Treat all members of our community with respect and courtesy.
- Follow instructions given by all staff.
- Only enter a classroom when a teacher is present.
- Treat all school and personal property with care. □
- Walk bikes and scooters on school grounds
- Walk on all pathways.
- Do not play with sports equipment or play on play equipment before or after school.
- Wear the Bletchley Park Primary School uniform.
- Be inclusive of others.

# WHY WE HAVE VALUES PROGRAM?

*Values Education* is an educational program that provides schools and teachers with a structured resource to develop and promote core values. Teaching values in school can be a proactive way to manage student behaviour. The program aims to give students effective strategies to help them lead happy and successful lives through developing positive self-esteem and care for others, and establishing good citizenship in the developing years.

# FACTION COMPETITION

TED tokens doing my best and respect are linked to the faction completion. The faction competition was created in 2013 to link sports values of sportsmanship and teamwork with the values program.

Students receive one faction point when they receive a doing my best/respect token.

## Procedure:

Every Friday the faction captains count the faction pop sticks and combine with middle/senior sport values points and assembly tokens.

At whole school assemblies the Faction Captains give an update of the faction competition.

Pop sticks are located in tubs in each of the collaboration rooms in each block

# ROLE OF TED

## TREAT EVERYONE DECENTLY

TED will continue to promote the values program in the school by attending various events throughout the year including:

- Whole School Assemblies
- Ride to school safely day
- Bletchley Park Cup Carnival
- Family Picnic day
- P & C Disco
- Sporting events

TED is a role model to the students and the community on doing my best and respect. TED is a foundation member of Bletchley Park PS and through song at assemblies provides students with the opportunity to participate in dance and affection.

# ASSEMBLIES

At whole school assemblies the Faction Captains give an update of the faction competition.

The Faction Captains will provide students who are presented with a values certificate or honor certificate a faction token -

Doing my best: 2 points

Respect: 3 points

At the conclusion of assembly students need to put the faction assembly token into their faction letterbox.

# CLASSROOM

The Practical Implementation of the Values Education Program at Bletchley Park Primary School

- ❑ Students receive 'TEDs' tickets from any staff member (teaching and non teaching) around the school.
- ❑ Students place the 'TEDs' tickets in a box in their classroom and prizes are given during block/learning team assemblies. Students exchange their TEDs for a coloured pop stick, which gets posted in a faction mailbox, located in the undercover area.
- ❑ Several times a term, as outlined on the Assembly Timetable, students from each class are awarded a certificate for having demonstrated the value consistently. These certificates are presented at Friday Parent Assemblies.

Pop sticks are located in tubs in each of the collaboration rooms in each block

Faction tokens will be available in the staff room. Colors to be confirmed
